

How to find care in your plan's network

Finding a high-quality doctor or facility is convenient

Use our online **Find Care** tool to look for healthcare professionals and facilities such as doctors, hospitals, and labs in your Anthem Blue Cross plan's network. You can see if your favorite doctor is part of your plan, or look for one near you. Choosing doctors and facilities in your plan's network helps lower your costs.

Here's how to search

Health Information that goes where you go. With our SydneySM Health mobile app, you can connect to all details about your Anthem benefits — personalized and in one place. To download the app, open the App Store[®] or Google Play[™] on your smartphone or tablet and search for *Sydney Health*.

You can also use your smartphone camera to scan this QR code.
